

Join SEARAME

SEARAME or the South East Asian Regional Association for Medical Education (SEARAME) is the regional non-governmental organisation concerned with encouragement of uplifting the standard in medical education in countries of the South-East Asia Region (SEAR).

This organisation is one of six regional organisations under the umbrella of the World Federation for Medical Education (WFME). Since WFME is the official partner of the World Health Organisation (WHO), SEARAME is working closely with WHO Regional Office for South-East Asia (WHO-SEARO) to improve the standard of medical education in this region.

As a regional organization of WFME, SEARAME aims to improve the quality and relevance of medical education in South-East Asian countries at all levels – undergraduate, postgraduate and continuing professional development in line with WFME.

Members of the Association shall be drawn from the countries in the South-East Asian Region. Other bodies or individuals from countries outside this region may be admitted to membership at the discretion of the Executive Committee.

Members will receive the following benefits

- Personal copy of the SEARAME journal
- Reduced registration fees for SEARAME activities
- 20% discount for SEARAME publications
- Keep up to date with current developments in education in the healthcare professions

Members will have additional benefits depending on the class of membership.
